

Remarks

In order to expedite the prosecution of the present application applicants respectfully submit amended claims, and cancel claims 10-12 without prejudice to the subject matter therein, reserving the right to prosecute said claims in divisional applications. The amended claims are supported throughout the application as filed, and add no new substantive matter. Support for the amendment to claim 1 can be found on page 5 of the application. Other amendments were made to reduce or remove multiple dependencies. Claim 8 is amended for clarity, referencing the labels of the formulae of claim 8 which add no new substantive matter. Support for the amendment to claim 15 can be found on page 6. Applicants respectfully request that amended claims be entered.

Respectfully submitted,
